

# TRADE RELATED TECHNICAL ASSISTANCE PROJECT 2

## BRIEF ACTIVITY REPORT

<b>Activity Title:</b>	<b>Training on EU Safety and Hygiene Requirements for Poultry Products</b>
<b>Component:</b>	<b>Standards Harmonisation and Sanitary and Phytosanitary (SPS) Conformity/ SPS Subcomponent</b>
<b>Activity Number:</b>	<b>2S.1.4.3.1</b>
<b>Date:</b>	<b>13-14 May 2010</b>
<b>Partner Agency:</b>	<b>Department of Agriculture/ Bureau of Animal Industry and National Meat Inspection Service</b>

Participants of the training composed of officials and representatives from government agencies such as BAI and NMIS and poultry meat producers and processors listen intently as resource person and expert Dr. Cradock discusses relevant EU legislations on SPS that have to be met by countries who wish to export food products to the EU.

Dr. Neville Cradock (standing), begins the training by explaining how the EU SPS regulatory framework came into being and the complexity and level of sophistication it has achieved over the years.

<b>Outcomes:</b>	<ul style="list-style-type: none"> <li>• Participants acquired greater understanding of the EU regulatory framework in SPS;</li> <li>• Participants are able to apply the requirements in their day-to-day activities; and</li> <li>• BAI and NMIS staff and stakeholders trained on the EU requirements for poultry products and able to keep themselves updated with EU developments in this area.</li> </ul>
------------------	---

<b>Objective:</b>	Develop participants' knowledge and understanding of the legal requirements imposed by the EU on: <ul style="list-style-type: none"> <li>• safety and hygiene requirements for poultry products</li> <li>• obligations on business operators and animal health and meat hygiene inspectors to ensure that safety and hygiene requirements for poultry products are met</li> </ul>
<b>Methodology:</b>	Discussion and question and answer with focus on the whole food chain from poultry production to finished poultry meat products
<b>Number of Participants and Profile:</b>	(29) Central and regional staff of NMIS and BAI and (potential exporting) poultry meat producers/processors
<b>Trainer:</b>	Dr. Neville Cradock (Short-term expert)
